- There will be one field manager for every two to four fields.
- Each field manager will have a communications radio and ice for injuries.
- Only tournament officials may use the field manager's tents. This is not a meeting or gathering place for teams or players.

- U9 and U10 teams may not participate in higher age divisions unless otherwise approved by the tournament ranking committee and tournament director.
- U9-U10 teams will be divided into groups of 3, 4 or 5 for round robin play without play-offs.
- U11-U19 teams will be divided into groupings of 3, 4, or 5 for round robin play.
- U11-U19 teams will be assigned at least three games in initial play and will play games against other teams within its group.
- Groups with three teams will play two games within their own group and one game against a team from another group.
- If there is an insufficient number of teams in a group/flight, the tournament reserves the right to play that group as one all-team World Cup group. The top two teams from the World Cup pool will play a championship game to determine the winner. Example: For an age group or flight with a total of 6 teams, the tournament may choose to play a 6 team round robin rather than two groups of 3.
- All games do count in the group standings for determining play-off placement
- Forfeits: The tournament will make every effort to avoid a forfeit. A forfeit may only be decided by Tournament Headquarters. The tournament philosophy is to put its effort into playing tournament games rather than declaring forfeits. In general a forfeit will be called if a team consisting of at least 7 players has not arrived at the field within 1 hour of the start time. The tournament reserves the right to reschedule a game to avoid a forfeit.

XXII. WORLD CUP GROUP RANKING

- No overtime will be played during group competition.
- Teams will be awarded three points for a win and one point for a tie.
- A forfeit score will be recorded as a 3-0 victory.
- The winning coach must sign the game card after verifying both scores (either coach may sign in the event of a tie). Any scores that are marked incorrectly on the game card will affect the standings.
- Following preliminary rounds, criteria in order of importance will determine placement for the play-off brackets:
 - Greater number of points. Each team receives 3 points for a win, 1 point for a tie, and 0 points for a loss.
 - Goal difference. Subtract total goals allowed from total goals scored.
 - Greater number of goals.
 - Earliest Application Date

XXIII. ADVANCEMENT PROCEDURES U11-U19

- Overtime. In play-off competition, including finals, of two 5-minute overtime periods will be played in full.
 - If a team is in the lead at the end of two 5-minute overtime periods then that team will be declared the winner.
 - If the game is still tied at the end of the second overtime period, the FIFA tie-breaking procedure of kicks from the penalty mark will be used to determine who advances.
 - Players may be taken to a designated area where a referee crew will control, monitor and officiate the series of kicks from the penalty mark.
 - Only those players on the field at the end of the overtime period may participate in the taking of the kicks from the penalty mark.
- If at any point in the play-offs, a team chooses not to continue, Schwan's USA CUP reserves the right to move other teams forward into its position, even if that other team has already lost. Teams who choose not to continue may not be invited to participate in Schwan's USA CUP in the future.

- The Schwan's USA CUP will follow MYSA weather guidelines
- Severe weather is a possibility. All weather decisions are the sole decision of the tournament committee and are based on the Weather Sentry storm tracking system and weather spotters used by Anoka County Airport, TPC Golf Course and the NSC Victory Links Golf Course.
- If weather or the condition of fields makes it impossible to carry out the tournament to its full extent, the tournament committee will make the necessary decisions concerning the rearrangement or cancellation of games for any reason. **Every effort is made to play all games in their entirety.** Fees are non-refundable, if games or the tournament are cancelled for any reason.

The tournament committee has the right to:

- Institute water breaks, if the heat index is high. This is not a coaching break; players must remain on the field.
- Shorten the length of games.
- Suspend games due to lightning or tornado warning.
 - A game may be suspended by the tournament committee without being cancelled or considered complete if in the second half of play. If the decision to terminate a game is made, and, if one half of the game has been played before termination for weather conditions, the game stands as a completed match.
 - If it is necessary to suspend games due to lightning, suspension and "all clear" announcements will be made over the PA system in the Sports Hall, Schwan Center, Schwan Super Rink, and NSC Stadium, as well as over the radios to the field managers. Information will also be posted on the website.
 - When games are suspended due to lightning, coaches and players are instructed to proceed to the nearest safe location: buses, cars, or the buildings on the NSC campus. Teams should not be on the playing fields, in tents or shelters during game suspension due to lightning.
 - When games are suspended due to tornado warning, coaches and players are instructed to proceed to either the Sports Hall or the Schwan Super Rink – as these buildings have portions that are underground and are the safest locations. The Schwan Center (HQ) building will be closed during tornado warning.
 - Coaches are requested to stay with their teams. A team representative may come to tournament headquarters to await updates. Tournament HQ will be abandoned during tornado warning so coaches are requested to stay with their team in either the Sports Hall or the Schwan Super Rink.
 - Coaches/players should stay in a safe location until they see field managers return to their posts with radios.
 - Coaches and referees should then proceed to their respective field manager to receive instructions on resuming games.

XXV. WEATHER FLAGS

- The health and safety of participants is a primary concern. If the tournament officials and medical staff determine that the risk of heat exhaustion is becoming too high, various options using a flag indicator system will be utilized.
- Heat index flags will be flown north of Field U2 on the flagpole.
 - Green Flag - Normal play conditions. Follow regular conditions and allow free access to fluids.
 - Yellow Flag - Moderate heat conditions; 2-minute water break at the middle of each half is instituted. The clock is stopped during water breaks.
 - Red Flag - Extreme heat conditions. Game shortened by 5 minutes per half. In play-off rounds, the overtime periods may be eliminated. Instituted water breaks continued.

- Black Flag - Suspension of play. Inclement weather or other emergencies may cause suspension of games. Suspension does not mean cancellation of games. After a suspension is called, games may be restarted. In the event games are cancelled, games that have completed the first half of play are considered final.

XXVI. INJURIES

- Coaches are considered guardians for underage participants when the parents are unavailable, and for all players regardless of age, when impairment of mental status renders the player incapable of making an informed decision. As such, they have a responsibility to make decisions in the best interest of the health and safety of the player.
- A coach's decision to allow a participant to play, contrary to the recommendation of the medical staff, may leave the coach open to legal liability.
- If the coach is under the legal age, the team is required to have an official representative of legal age at the field who will serve as the legal guardian.
- Coaches are responsible for having emergency medical information for all players in their possession at all games.
- Referees are responsible for summoning the coach and first aid personnel onto the field, in the event of an injury.
 - The injured player will first be evaluated on the field by first aid staff.
 - If further evaluation is warranted, the injured player will be moved to the sideline when medically safe, according to emergency medical protocol.
